A

DETAILED ACTION

Response to Amendment

Applicant amendment of 5-2-05 added claims 17 and 18 and canceled claims 1 - 16 as well as traversed rejections of Claims 1 - 16.

Currently, claims 17 and 18 are pending.

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 17 and 18 are rejected under 35 U.S.C. 102(b) as being anticipated by Videohometours.com.

Regarding Claim 17 and related Claim 18 (New), Videohometours.com teaches a method for marketing real estate, said method comprising;
classifying real estate for sale, photoing the real estate for sale, and establishing a data base with the photos of the real estate for sale for searching purposes; photoing nearby streets around the real estate for sale; wherein the real estate is a house (see at least Pages 1 – 7).

Response to Arguments

Applicant's arguments filed 5-02-05 have been fully considered but they are not persuasive.

Applicant argues that the Videohometours.com does not disclose a house.

The Applicant is referred to Page 6, which would teach one of ordinary skill that the real estate are houses.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of

Art Unit: 3625

the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
